Eric McWilliams, Supervisory Paralegal:

A review of the file reveals that the September 28, 2015, request to extend time filed on behalf of **Comercializadora La Feria De Las Fajas Inc.**, was granted until December 21, 2015 in error. The September 28, 2015 first request for 60 days was not in accordance with the Trademark Rules.

Extensions of time to oppose may be granted only as provided in Trademark Rule 2.102:

- (c) The time for filing an opposition shall not be extended beyond 180 days from the date of publication. Any request to extend the time for filing an opposition must be filed before thirty days have expired from the date of publication or before the expiration of a previously granted extension of time,

as appropriate. Requests to extend the time for filing an opposition must be filed as follows:

(1) **A person may file a first request for either a thirty-day extension of time, which will be granted upon request, or a ninety-day extension of time, which will be granted only for good cause shown.**

(2) If a person was granted a thirty-day extension of time, that person may file a request for an additional sixty-day extension of time, which will be granted only for good cause shown.

(3) After receiving one or two extensions of time totaling ninety days, a person may file one final request for an extension of time for an additional sixty days. The Board will grant this request only upon written consent or stipulation signed by the applicant or its authorized representative, or a written request by the potential opposer or its authorized representative stating that the applicant or its authorize representative has consented to the request, or a showing of extraordinary circumstances. No further extensions of time to file an opposition will be granted under any circumstances.

Because potential opposer's extension request was filed for sixty days instead of the required thirty or ninety days, but the request included a showing of good cause, the request is granted to the extent that potential opposer is now

Extension of Time to Oppose No. 86597676

allowed until **January 20, 2016** in which to file an opposition herein, or a further request for an extension of time, if appropriate.¹

¹ Potential opposer is notified that future extensions of time will be granted only for the specific periods as allowed. A chart illustrating the extensions of time to oppose which may be granted can be found in TBMP § 207.01.
