Eric McWilliams, Supervisory Paralegal:

It has come to the Board's attention that Registration No. 4972382 (Serial No. 86766058), was registered inadvertently despite there being an ongoing extension of time granted on behalf of Hair Goals Ltd. until June 15, 2016.

Accordingly, the Board will forward the electronic record of the application file to the Office of the Commissioner for Trademarks for consideration of the cancellation of the inadvertently issued registration.

Potential opposer should note that the Board will not suspend the time for filing a notice of opposition for any reason. TBMP § 209.01. Accordingly, if potential

opposer wishes to preserve its right to oppose, it must continue to file requests for extension of time to oppose, if available, or a notice of opposition.¹

¹ Potential Opposer is notified that because of the current status of the application, use of the Electronic System for Trademark Trial and Appeals (ESTTA) may not be available to file a further extension or notice of opposition if desired. Potential Opposer will have to utilize the other methods for filing as outlined in TBMP 107.
