In re Carpenter, Staecy L.

Serial No. 86920414

Filed: 2/25/2016

Lalita Greene, Paralegal Specialist:

On August 2, 2016, the Board acknowledged applicant's notice of appeal and set time for applicant to file its brief on appeal. It has come to the attention of the Board that applicant filed on August 2, 2016, a request for reconsideration.¹ The request for reconsideration requires consideration by the Trademark Examining Attorney.

In view thereof, action on the appeal is suspended and the file is herewith remanded to the Trademark Examining Attorney to review applicant's request for reconsideration dated August 2, 2016.

¹ It should be noted that applicant failed to indicate that it had filed a request for reconsideration, by checking the appropriate box in the Board's electronic filing system. This would have automatically suspended the appeal and remanded the application to the Trademark Examining Attorney to review applicant's request for reconsideration.

In the event registrability is found on the basis of this paper, the appeal will be moot and the Board should be so informed. In the event the refusal of registration is maintained, the file should be returned to the Trademark Trial and Appeal Board, proceedings will be resumed and applicant will be allowed time in which to file a its brief.
