Re: CTRL Systems, Inc. v. Ultraphonics of North America, Inc.  
Opposition No. 96,623

Dear Mr. Baxley:

In response to the Order dated September 29, 2002, the district court determined that Ultraphonics of North America was the proper owner of the Ultraphonics mark and therefore dismissed CTRL Systems' appeal of the Board's entry of judgment against CTRL in the opposition proceeding. CTRL did not appeal and the district court file is closed.

Please let me know if you need more information.

Very truly yours,

  
Michael H. Selter
