Opposition No. 91/105,587

MAILED

Indilgo Corporation

DEC 9 2003

v.

PAT. & T.M. OFFICE

Super Vision International,
Inc.

In an order dated July 14, 2000, the Board granted applicant's motions to amend its dates of use and to amend the identification of goods in application Serial No. 75/006,342. Applicant was informed that republication was required in view of the amendment to the dates of use. In addition, the parties were further informed that consideration of the stipulated withdrawal of the opposition, contingent upon entry of the amendment to the identification of goods, would be deferred pending appropriate action by the Office of the Commissioner for Trademarks regarding the inadvertently issued registration of application Serial No. 75/006,342.

Inadvertently issued Registration No. 2,241,421 was cancelled by order of the Deputy Commissioner for Trademark Operations on August 16, 2001. Application Serial No. 75/006,342 was restored to pendency at that time. Accordingly, the

Opposition No. 91105587

previously approved amendments to the application may now be entered.

Amendment to the dates of use

Applicant's motion to amend the dates of use having been granted on July 14, 2000, the date of first use and the date of first use in commerce for application Serial No. 75/006,342 are amended from **March 1995** to **May 1995**. Said amendment is hereby entered

Amendment to the identification of goods

Applicant's motion to amend the identification of goods having been granted on July 14, 2000, the identification in Class 9 is amended from:

Point of purchase displays using fiber optic cables arranged in patterns to create various designs of light

to

Custom-ordered point of purchase displays using fiber optic cables arranged in patterns to create various designs of customers in light.

Said amendment is hereby entered.

Opposition dismissed

The contingency in the stipulated dismissal (filed June 22, 1998) having now been met, the opposition is dismissed without prejudice.

Opposition No. 91105587

Application Serial No. 75/006,342 to be republished

Application Serial No. 75/006,342 is forwarded to the Publication and Issue division of the Trademark Operation for republication.
