Opposition No. 91110853

VINA SAN PEDRO, S.A.

v.

FINANCIERE VRANKEN

LaToya C. Johnson, Paralegal:

Applicant's consented motion (filed November 14, 2002) to suspend proceedings is granted.

Accordingly, proceedings herein are suspended until six months from the mailing date of this action, subject to the right of either party to request resumption at any time. See Trademark Rule 2.117(c).

Given the length of pendency of this proceeding, the parties are forewarned that future motions to suspend or extend will require a report on the progress of the parties' settlement negotiations. Such report must include: a recitation of the issues that have been resolved; a recitation of the issues that remain to be resolved and, a **FIRM TIMETABLE** for resolution. Absent such report, any future motions may not be approved, even if agreed to by the parties.

Opposition No. 91110853

In the event that there is no word from either party concerning the progress of their negotiations within the next six months, the Board will issue an order resuming proceedings and resetting the time for applicant to file an answer or other response to the notice of opposition.

If, during the suspension period, either of the parties or their attorneys should have a change of address, the Board should be so informed.
