Re: Gloster v. Relios
Opposition No.: 91113487

Dear Ms. Greenbaum:

I am in receipt of your Memorandum dated November 20, 2004, in the above-captioned matter. I did not receive your inquiry of September 24, 2004, or I would have hastened to reply. The District Court action is still in the discovery phase and is not close to being terminated. Accordingly, I would appreciate the suspension remaining in effect until the District Court case has been finally resolved. I promise to immediately inform you when that case has been resolved. I believe that the resolution of the District Court action will resolve all matters pending before the Board.

Thank you for your understanding and co-operation.

Very truly yours,

STEIN & SILVERMAN, P.C.
