v.

RELIOS, INC.

Cindy B. Greenbaum, Attorney:

On January 19, 2006, opposers filed a response to the Board's December 20, 2005 status inquiry. However, opposers' January 19, 2006 filing does not indicate proof of service of a copy thereof on counsel for applicant, as Trademark Rule 2.119 requires. As a one-time courtesy to opposers, the Board forwards herewith a copy of opposers' January 19, 2006 filing with applicant's copy of this order. If applicant wishes to object to the content of opposers' January 19, 2006 filing, applicant has until TWENTY DAYS from the mailing date of this order to do so.

Opposers are hereby warned that the Board may not consider future filings from opposers unless said filings indicate the requisite proof of service on applicants.
