JOINT MOTION FOR SUSPENSION OF PROCEEDING UNTIL OCTOBER 15, 2002

02 APR 23 PM 9:22

TRADEMARK TRIAL AND APPEAL BOARD

Opposer, Novell, Inc., and Applicant, International Data Group, Inc., hereby move the Trademark Trial and Appeal Board for an order suspending this proceeding until **October 15, 2002**. This motion is made in good faith and is not made for the purpose of unduly delaying proceedings. The parties have been working towards settlement, anticipate reaching a settlement, and wish to avoid unnecessarily expending the Board's and the parties' resources in this matter.

The parties have been actively pursuing settlement in this matter. Due to ongoing internal staffing changes, however, Opposer, Novell, Inc., cannot reach a decision with regard to settlement within the time allotted in the current scheduling order. Accordingly, the parties jointly request that this matter be suspended until **October 15, 2002**. The parties anticipate that this matter will settle on or before this date.

The parties desire to align the schedule in this proceeding with the schedule in Consolidated Opposition Number 95,049, which are being discussed as part of a universal potential settlement. Thus, the parties are also filing a separate motion to extend the current suspension in Consolidated Opposition Number 95,049 until **October 15, 2002**.

The parties respectfully request that this motion be granted.

Respectfully submitted,
