v.

ENGAGE ENERGY US, L.P.

LaToya C. Johnson, Paralegal:

Applicant's consented motion (filed August 5, 2002) to suspend and extend is noted and granted as modified below.

Because the parties are negotiating for a possible settlement of this case, proceedings herein are suspended until **SIX MONTHS** from the mailing date of this action, subject to the right of either party to request resumption at any time. See Trademark Rule 2.117(c).

Inasmuch as the parties have sought and been granted extensions of time since 2000, and have had six other periods of suspension, the parties are advised that to continue suspension after this period expires, or to seek further extensions, the parties will be expected to report on the

progress of their settlement talks to establish good cause for any continued suspension.

This report should include: a recitation of issues that have been resolved, issues that remain to be resolved, and firm timetable for resolution. **Absent such a report, any future motion to extend or suspend may not be approved, even though agreed to by the parties.**

In the event that there is no word from either party concerning the progress of their negotiations within the next six months, the Board will issue an order resuming proceedings and resetting the time for applicant to file an answer or other response to the notice of opposition.

If, during the suspension period, either of the parties or their attorneys should have a change of address, the Board should be so informed.
