v.

TECHNIFOCUS, LLC

David Mermelstein, Interlocutory Attorney:

On May 23, 2000, the Board issued an order (in Opp. No. 117,490) noting that a registration had inadvertently issued on the subject application, see Reg. No. 2,347,229, despite the filing of a timely notice of opposition. The parties were advised that the file of the application would be forwarded to the Assistant Commissioner for cancellation.

It has now come to the attention of the Board that the inadvertently issued registration has not been cancelled. Accordingly, the file of the registration will be forwarded to the office of the Commissioner for Trademarks for appropriate action.

All dates remain as set in the Board's order of January 17, 2002.
