**OPPOSER'S MOTION TO RESUME PROCEEDINGS AND
REQUEST FOR RESETTING OF DISCOVERY AND OTHER TRIAL DATES**

Box TTAB No Fee
Commissioner for Trademarks

Arlington, Virginia 22202-3513

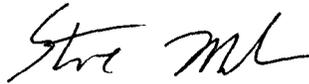

Because the six-month suspension period in this proceeding has expired without reaching settlement, Opposer Exxon Mobil Corporation respectfully requests the Board promptly enter an Order resuming this proceeding and resetting all discovery deadlines and trial dates.

On September 28, 2000, Opposer timely filed its Notice of Opposition to Applicant's application to register the mark "DEXXON". Applicant filed its answer on December 26, 2000. On October 5, 2001, Opposer served Applicant's counsel with Opposer's First Set of Interrogatories to Applicant and Opposer's First Set of Requests for Production of Documents and Things. Because of agreed extensions and the eventual suspension of this proceeding, Applicant

has not yet provided any response to Opposer's discovery requests. This proceeding was suspended on December 5, 2001 based on the parties' negotiation of a possible settlement. During the suspension period the parties unsuccessfully attempted to negotiate a settlement that would resolve this matter.

Therefore, Opposer requests that this proceeding be promptly resumed and that all discovery deadlines and other trial dates be reset. Further, ExxonMobil requests that the Board order Applicant to provide its responses to Opposer's outstanding discovery requests within thirty days from the entry of any order resuming this proceeding.

Respectfully submitted,
