RIDDELL, INC. AND RIDMARK

v.

BASEBALL ACQUISITION
CORPORATION

Peter Cataldo, Interlocutory Attorney

The parties' stipulation, filed January 3, 2002, for suspension of the instant proceeding pending the outcome of settlement negotiations between the parties is hereby **granted**.

Due to the Board's delay in coming to a determination on this matter, and because the parties are negotiating for possible settlement of this case, proceedings herein are suspended until **three months** from the mailing date of this action, subject to the right of either party to request resumption at any time. See Trademark Rule 2.117(c).

In the event that there is no word from either party concerning the progress of their negotiations within the next three months, the Board will issue an order resuming proceedings and resetting trial dates, including the time for discovery.

If, during the suspension period, either of the parties or their attorneys should have a change of address, the Board should be so informed.
