CONSENTED MOTION TO SUSPEND PROCEEDINGS

Opposer moves with the consent of Applicant to suspend the above-captioned proceeding for six months because the parties both believe that good cause exists to suspend the proceedings to allow the parties to finalize an acceptable settlement. The parties jointly submit that a suspension will help minimize their attorneys' fees and minimize the time imposition on the Trademark Trial and Appeal Board and its personnel.

On April 28, 2003, Mark W. Hendricksen, counsel for Applicant, Scott Plastics, Ltd., consented by telephone to the suspension request.

At such time as the action is removed from suspension, if it is not settled, a new discovery and trial period schedule will be jointly proposed by Opposer and Applicant.

Accordingly, both parties move, with the Board's approval, that this proceeding be suspended for six months.

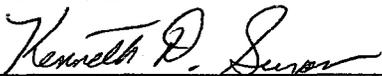

This stipulated motion is not made for the purpose of delay. The purpose of this stipulated motion is to allow the parties to finalize a settlement acceptable to both parties. The parties believe they are close to settling this matter and require additional time to memorialize their agreement.

This consented motion is being submitted in triplicate.
