v.

SCOTT PLASTICS LTD.

*LaToya C. Johnson, Paralegal:*

Opposer's consented motion (filed April 29, 2003) to suspend proceedings is granted.

Accordingly, proceedings herein are suspended until **six months** from the mailing date of this action, subject to the right of either party to request resumption at any time. See Trademark Rule 2.117(c).

The parties are however advised that any future motion to extend or suspend, after the expiration of this suspension, will require a report on the progress of the parties' settlement negotiations. Such report **must** include: a recitation of the issues that have been resolved; a recitation of the issues that remain to be resolved and; a FIRM timetable for resolution.

Opposition No. 91121571

In the event that there is no word from either party concerning the progress of their negotiations within the next six months, the Board will issue an order resuming proceedings and resetting trial dates, including the time for discovery.

If, during the suspension period, either of the parties or their attorneys should have a change of address, the Board should be so informed.
