Opposition No. 91121571

STI LICENSING CORPORATION

v.

SCOTT PLASTICS LTD.

On January 26, 2005, opposer filed a withdrawal of the opposition, with applicant's written consent.¹

In view thereof, the opposition is dismissed without prejudice. See Trademark Rule 2.106(c).

***By the Trademark Trial
and Appeal Board***

¹ The January 25, 2005 filing is a combination amendment to the application and withdrawal of the notice of opposition, contingent on the Board's acceptance of the proposed amendment. Applicant also separately filed the identical proposed amendment on January 14, 2005. The Board accepted the proposed amendment by order dated February 9, 2005, before the Board matched the January 25, 2005 filing with this proceeding file. Thus, the February 9, 2005 Board order allowed opposer time to file a withdrawal of the notice of opposition. The January 25, 2005 filing addresses the issues set forth in the February 9, 2005 Board order.
