

**Opposer's Motion to Extend Suspension**

Opposition No. 121,708

Page 2 of 3

**ARGUMENT**

Opposer instituted the present opposition by filing a Notice of Opposition to Applicant's application, U.S. Serial No. 75/886,530 for NEXTJET & design, on January 17, 2001. Since the initiation of the opposition proceedings, Opposer and Applicant have been engaged in settlement negotiations and are finalizing any remaining dispute between the parties regarding the use and registration of the subject NEXTJET & design trademark. Specifically, a mutually agreed upon Settlement Agreement that would dispose of the present opposition proceeding has been sent by Opposer to Applicant for execution. It is anticipated that the Settlement Agreement will be executed within the next thirty (30) days.

On Wednesday, March 20, 2002, Valerie Verret, Esq., counsel for Applicant, CONSENTED to the above-stated extension of the suspension of proceedings.

Accordingly, since it is believed that Opposer and Applicant have shown GOOD CAUSE as to why an extension of the suspension of opposition proceedings should be GRANTED, Opposer and Applicant hereby jointly request a suspension in Opposition No. 121,708 pursuant to 37 C.F.R. § 2.117(c) for an additional thirty (30) days to allow the parties to complete settlement negotiations.

Respectfully submitted,

Date: March 21, 2002
