EDUCATIONAL MEDIA
FOUNDATION

v.

TICHENOR MEDIA SYSTEMS,
INC.

David Mermelstein, Attorney:

Now before the Board is respondent's consent motion for an extension of time. The Board notes that the parties have reached a tentative agreement for the resolution of Cancellation No. 92042649 and Opposition No. 91122045, both involving similar marks. The parties to both proceedings have agreed to dismiss the proceedings in favor of a concurrent use proceeding, and have submitted an agreement on proposed geographic restrictions.

This proceeding is accordingly SUSPENDED pending resolution of all pending matters. If necessary, the Board will reset the trial schedule upon resumption.
