MOTION TO EXTEND TIME ON CONSENT

This is a Motion to Extend Time On Consent on the basis of settlement in principle. The parties desire more time to finalize the wording with respect to a particular concept of the settlement. Subsequent to their last Motion to Extend Time On Consent, the parties had settlement communications in writing and by telephone on an ongoing basis, with the most recent draft settlement proposals on July 27, 2005 and July 7, 2005. between Opposers and Applicant. [Also, counsel for Opposer, Mary Ann Novak, who was the primary lawyer representing Opposer in connection with the settlement efforts through the last Motion to Extend Time on Consent, subsequently took a parental leave of absence from the firm, and Opposer required some time in May 2005 for continuity]

In order to finalize the settlement, the parties, through their counsel, jointly request that the testimony periods set in the communication of the Trademark Trial and Appeal Board mailed June 14, 2005 be extended by sixty (60) days, so that the new dates will be as follows:
