POWER MEASUREMENT, INC. AND
POWER MEASUREMENT LTD.

v.

SILICON ENERGY CORP.

Veronica White, Paralegal Specialist:

Opposer's consented motion (filed September 12, 2005) to extend testimony periods is granted.

Because the parties are negotiating for a possible settlement of this case, proceedings herein are suspended until **SIX MONTHS** from the mailing date of this action, subject to the right of either party to request resumption at any time. See Trademark Rule 2.117(c).

In the event that there is no word from either party concerning the progress of their negotiations, upon conclusion of the suspension period, the Board will issue an order resuming proceedings and resetting trial dates, commencing with plaintiff's testimony period.

If, during the suspension period, either of the parties or their attorneys should have a change of address, the Board should be so informed.
