Motion for an Extension of Discovery or Trial Periods With Consent

The Close of Plaintiff's Trial Period is currently set to close on 07/02/2007. POWER MEASUREMENT, INC. AND POWER MEASUREMENT LTD requests that such date be extended for 30 days, or until 08/01/2007, and that all subsequent dates be reset accordingly.

Discovery Period to Close : CLOSED
Thirty-day testimony period for party in position of plaintiff to close : 08/01/2007
Thirty-day testimony period for party in position of defendant to close : 09/30/2007
Fifteen-day rebuttal testimony period to close : 11/14/2007

The grounds for this request are as follows:

- *Respectfully, the consent is for 14 days from 7/2/07. Insofar as the TTAB will only permit a 30 day extension, the balance of the time is sought ex parte, although the undersigned will endeavor to secure the consent for the additional time as a procedural accommodation. This request, therefore, modifies the representation that full consent is sought for the 30 days. The purpose for the consent/time is as follows. On May 2, 2007, Opposer advised the TTAB of an open condition to a concluded settlement. That condition has now been resolved. The parties have agreed to all terms and anticipate fully executed settlement documents within the next two weeks.*

POWER MEASUREMENT, INC. AND POWER MEASUREMENT LTD has secured the express consent of all other parties to this proceeding for the extension requested herein.

POWER MEASUREMENT, INC. AND POWER MEASUREMENT LTD has provided an e-mail address herewith for itself and for the opposing party so that any order on this motion may be issued electronically by the Board.
