Mailed: May 22, 2003

Opposition No. 91125806

GAP (APPAREL) INC.

v.

NICOLAS B. HAUFF KRUGER

**Cheryl Goodman, Interlocutory Attorney:**

On March 3, 2003, applicant filed a proposed amendment to its application Serial No. 76/304,143, with opposer's consent.

By the proposed amendment applicant seeks to change the recitation of services **from** "retail store services and on-line retail store services featuring computer hardware and software; licensing of computer software" **to** "licensing of computer software." Inasmuch as the amendment is clearly limiting in nature as required by Trademark Rule 2.71(a), and because opposer consents thereto, it is approved and entered. See Trademark Rule 2.133(a).

Additionally, applicant seeks to amend the drawing  
from:

to:

# Fillgap

Inasmuch as the amendment to the drawing does not materially alter the mark, the amendment to the drawing is approved and entered.

If this resolves the dispute herein, opposer is allowed until thirty days from the mailing date of this order to file a withdrawal of the opposition, failing which the opposition will go forward on the application as amended. See Trademark Rule 2.106(c).
