**STIPULATED REQUEST FOR EXTENSION
OF DISCOVERY AND TESTIMONY PERIODS**

The parties, by and through their counsels of record, hereby request an extension of thirty (30) days of the discovery period scheduled to close on October 22, 2003, and requests a similar extension of time for the testimony period and other dates in the above proceeding, to and including the following dates:

Discovery period to close:	November 21, 2003
Testimony period for party in position of plaintiff to close (opening thirty days prior thereto):	February 19, 2004
Testimony period for party in position of defendant to close (opening thirty days prior thereto):	April 20, 2004

Rebuttal testimony period to close
(opening fifteen days prior thereto):

June 4, 2004

The extension is requested as Applicant only recently retained this firm to represent it in connection with this Opposition proceeding. Said extension is necessary in order for our firm to review the files in this matter, and provide our client with competent counsel. Additionally, more time is requested so that the parties can engage in settlement discussions and attempt to resolve this matter. It is hoped that this extra time will facilitate consummation of settlement without the need for discovery.

On October 20, 2003, the undersigned conferred with Opposer's counsel, who agreed to the foregoing.

DATED this 21st day of October, 2003.

Respectfully submitted,
