**STIPULATED REQUEST FOR EXTENSION
OF DISCOVERY AND TESTIMONY PERIODS**

The parties, by and through their counsels of record, hereby request an extension of thirty (30) days of the discovery period scheduled to close on January 21, 2004, and requests a similar extension of time for the testimony period and other dates in the above proceeding, to and including the following dates:

Discovery period to close:	March 22, 2004
Testimony period for party in position of plaintiff to close (opening thirty days prior thereto):	June 21, 2004
Testimony period for party in position of defendant to close (opening thirty days prior thereto): Rebuttal testimony period to close	August 20, 2004

(opening fifteen days prior thereto):

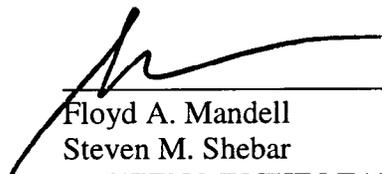

October 4, 2004

The extension is requested because the parties have been engaged in meaningful settlement discussions, which they would like to continue without consuming costs and effort with discovery matters at this time. It is hoped that this extra time will facilitate consummation of settlement without the need for discovery.

On January 20, 2004 the undersigned conferred with Opposer's counsel, who agreed to the foregoing.

DATED this 21st day of January, 2004

Respectfully submitted,

Floyd A. Mandell
