**STIPULATED MOTION FOR EXTENSION
OF DISCOVERY AND TESTIMONY PERIODS**

The parties, by and through their counsels of record, hereby request an extension of a sixty (60) days of the discovery period scheduled to close on March 22, 2004, and request a similar extension of time for the testimony period and other dates in the above opposition proceeding, to and including the following dates:

Discovery period to close:	May 21, 2004
Testimony period for party in position of plaintiff to close (opening thirty days prior thereto):	August 20, 2004
Testimony period for party in position of defendant to close (opening thirty days prior thereto):	October 19, 2004
Rebuttal testimony period to close (opening fifteen days prior thereto):	December 3, 2004

The extension is requested because the parties have been engaged in meaningful settlement discussions, which they would like to continue without consuming costs and efforts associated with discovery matters at this time. It is anticipated that this extra time will facilitate consummation of settlement without the need for discovery.

Applicant's counsel, Steven Shebar, agreed to the foregoing extension request in a voicemail message left with Opposer's counsel, David Johanson on March 19, 2004.

Respectfully submitted,

David O. Johanson
