**STIPULATED MOTION FOR EXTENSION
OF DISCOVERY AND TESTIMONY PERIODS**

The parties, by and through their counsel of record, hereby move and request an additional extension of approximately thirty-day on the close of the discovery and testimony periods.

This request reflects the fact that the parties are discussing a settlement of the matter and was agreed upon by way of communications between counsel for the parties.

With grant of the requested extension, the scheduled dates in this Opposition Proceeding will be as follows:

Discovery period to close	July 4, 2002
Testimony period for party in position of plaintiff to close (opening thirty days prior thereto)	October 2, 2002
Testimony period for party in position of defendant to close (opening thirty days prior thereto)	December 2, 2002

Rebuttal testimony period to close
(opening fifteen days prior thereto)

January 15, 2003

This motion is not being presented for the purpose of mere delay of this proceeding, but rather to allow for the parties to explore the possibility of resolving this matter and proceeding. Favorable consideration of this request is respectfully solicited.
