INVIRO'S NOTICE AND REQUEST FOR CONSOLIDATION OF TWO OPPOSITIONS

In accordance with the last paragraph of the U.S. Trademark Trial and Appeal Board's Scheduling Order in each of the subject oppositions, applicant Inviro Medical Devices Ltd. ("Inviro") hereby informs the Board that these two oppositions involve the same parties and related marks, i.e., applicant's ULTRALINK and SNAPLINK trademarks for the same goods – against which opposer Baxter International Inc. ("Baxter") has asserted the same three INTERLINK trademark registrations. Baxter's amended notices of opposition for these two oppositions are identical. As a result, Inviro respectfully requests consolidation of these two oppositions.

Baxter has refused to agree to this consolidation.

Respectfully submitted,
