v.

STEWART TITLE OF ILLINOIS,
INC.

Tyrone Craven, Paralegal:

Opposer's consented motion (filed March 6, 2006) to suspend proceedings is hereby granted.¹

Because the parties are negotiating for possible settlement of this case, proceedings herein are suspended until six months from the mailing date of this action, subject to the right of either party to request resumption at any time. See Trademark Rule 2.117(c).

In the event that there is no word from either party concerning the progress of their negotiations within the next six months, the Board will issue an order resuming proceedings and resetting trial dates, including the time for discovery.

¹ Inasmuch as the parties have sought and been granted several suspension request, the parties are advised that any future motion to extend or suspend upon the expiration of this period must provide an updated report as to the progress of their settlement talks and a FIRM timetable for resolution to establish good cause.

If, during the suspension period, either of the parties or their attorneys should have a change of address, the Board should be so informed.
