Amendment to Notice of Opposition: 91152940

SINCLAIR OIL CORPORATION
OPPOSER,

V.
SUMATRA KENDRICK
APPLICANT.

In response to an answer of Fraud, during the Interrogatories phase, the question was asked if I the applicant had used the mark in commerce. The answer was mistakenly filed as I had not used my mark in commerce. I would like to point out, that there was confusion with question. The mark has been in use since March of 96. And is currently in use as of Sept. 27, 2006.

Fraud: (frod): Deception; trickery; guile. 2. *Law* Any artifice or deception practiced to cause one to surrender something of value or a legal right. 3. One who acts fraudently; a cheat. 4. A deceptive or spurious thing. An intentional act.

I am amending my answer to Trademark Act Section 1 (b), 15 U.S.C.
Section 1051 (b) as its filing basis and maintain its original filing date. And
rules 2.34.
