**Stipulated Second Request to Extend Time to Answer
and Discovery and Trial Dates**

This is in response to the Notice of Opposition mailed September 23,
2002.

REMARKS

The Applicant, Sumatra Kendrick was served the Opposer's Notice of
Opposition. Since being served, Applicant has retained the attorneys at
Intellectual Property Law Group LLP in California to represent her in this
opposition before the U.S. Trial and Appeal Board.

Pursuant to 37 C.F.R. § 2.102, Applicant, Sumatra Kendrick, an individual, through her attorneys hereby respectfully requests a second extension of time be granted of (30) thirty days from January 1, 2003 to file an Answer, until January 31, 2003.

CONSENT AND GOOD CAUSE

Opposer's counsel consented to this extension on December 20, 2002. The extension is necessary and requested by Applicant to permit the Applicant's attorneys sufficient time to prepare an Answer.

DISCOVERY AND TRIAL DATES

Applicant and Opposer both agreed that neither party ever received a copy of the trial date schedule from the TTAB with the Notice of Opposition. The TTAB attorney Mr. Baxley has stated that the trial date schedule appears never to have been sent to either party and that the trial date schedule will be reset as soon as the paper file for this opposition case is located. The parties would prefer not to guess about the trial date schedule and will await receipt of the reset trial date schedule from the TTAB.

This motion is not made for the purpose of mere delay and is necessary to allow the Applicant's attorneys sufficient time to prepare an Answer. Opposer's attorney, Robyn L. Phillips, consented to this (30) thirty day extension in a phone

call on December 20, 2002. Accordingly, the Board's favorable consideration of this consented motion is most respectfully requested.

Respectfully submitted,

December 20, 2002
