The parties to the above-captioned proceeding, subject to approval by the Trademark Trial and Appeal Board, have agreed through counsel to an extension of the suspension of this proceeding. The parties are in the final stage of settlement discussions and wish to obtain sufficient time to focus on and complete those negotiations.

Accordingly, the parties jointly request an order extending the suspension of this action for a 60 day period to end January 7, 2004.

Applicant is filing this motion with the consent of Opposer's appointed attorney, Christie Biggs. Contemporaneously with the electronic filing of this request, a copy of this document is being served via first-class mail on Opposer's attorney.
