Opposition No. 91154291

H-D Michigan, Inc

v.

Electromecanica Dyna S/A

Angela Lykos, Interlocutory Attorney

On February 27, 2003, the parties filed applicant's proposed amendment to its application Serial No. 78/076,501, with opposer's consent, and opposer's withdrawal, with prejudice, of the opposition, contingent upon entry of the amendment.

By the proposed amendment applicant seeks to change the identification of goods **from** "motors for motorcycles, motors for land vehicles, electric motors for land vehicles, transmission shafts for land vehicles, transmissions for land vehicles, windscreen wipers and windshield wipers for vehicles" **to** "windscreen wipers and windshield wipers for vehicles."

Opposition No. 91154291

Inasmuch as the amendment is clearly limiting in nature as required by Trademark Rule 2.71(b), and because opposer consents thereto, it is approved and entered. See Trademark Rule 2.133(a).

The contingency in opposer's withdrawal having now been met, the opposition is dismissed with prejudice.
