Mailed: March 1, 2004

Opposition No. 91154655

Micron Technology, Inc.

v.

World Wiser Electronics,
Inc.

Cheryl Goodman, Interlocutory Attorney:

On October 16, 2003, applicant filed a proposed amendment to its application Serial No. 78083848, with opposer's consent.

By the proposed amendment applicant seeks to

- 1) delete Class 9;
- 2) change the identification of Class 40 services **from** "custom manufacture of semiconductors, integrated circuits, printed circuit boards, electronic equipment and appliances for others" **to** "custom manufacture of printed circuit boards, electronic equipment and appliances for others."

Class 42 shall remain as written.

Inasmuch as the amendment is clearly limiting in nature as required by Trademark Rule 2.71(b), and because opposer consents thereto, it is approved and entered. See Trademark Rule 2.133(a).

If this resolves the dispute herein, opposer is allowed until thirty days from the mailing date of this order to file a withdrawal of the opposition, failing which the opposition will go forward on the application as amended. See Trademark Rule 2.106(c).
