Re: Trademark registration No. 2,572,434 restored to  
Application Serial No. 75/310094  
For: MICROPOS

Dear Mr. Anderson,

We have just recently received the cancellation of the above referenced trademark Registration. Our Trademark attorney is no longer handling any correspondences for us. We are currently evaluating new representation and would like to request a thirty (30) day extension for our reply to the notice of opposition files against our above application number.

Please direct all future correspondences to:

Micropos Systems

Re: Trademark Registration No. 2,572,434  
For: MICROPOS

Dear Mr. White:

Due to a clerical error by the United States Patent and Trademark Office, Trademark Registration No. 2,572,434, for the mark MICROPOS, was inadvertently issued on May 28, 2002, to The Trustees of Micropos Systems Co.

The registration issued inadvertently after a Notice of Opposition had been filed with the Trademark Trial and Appeal Board.

In accordance with the attached order, Registration No. 2,572,434 is hereby cancelled. The registration certificate is invalid and has no force or effect. The application will be restored to pendency (as application Serial No. 75/310094) and forwarded to the Trademark Trial and Appeal Board for further action.

Sincerely,

Robert M. Anderson  
Deputy Commissioner for  
Trademark Operations
