OPPOSITION NO. 91156298

**APPLICANT'S CONSENTED TO REQUEST FOR EXTENSION
OF TIME TO ANSWER OR OTHERWISE PLEAD
AND TO RESET DISCOVERY AND TESTIMONY PERIODS**

Applicant, INDUSTRIAL HARD CHROME, LTD. by and through its undersigned attorney, requests that the period of time in which Applicant may answer or otherwise plead with respect to Opposer's Notice of Opposition be further extended from December 8, 2003 up to and including February 9, 2004, and that the discovery and all testimony periods in this case be reset accordingly.

Applicant's time to answer or otherwise respond has been previously extended to December 8, 2003 to allow Applicant and Opposer to settle this matter, without engaging in formal proceedings or seeking formal discovery. Progress has been made towards that purpose. More particularly, the parties have agreed in principle upon terms for an amicable resolution, and Applicant attorney has signed a Settlement Agreement based on such terms and forwarded it to counsel for the Opposer. However, counsel for Opposer has indicated that Opposer desires revisions to the Settlement Agreement, and accordingly, additional time is required to complete an amicable resolution, and not for purposes of delay.

Michael W. Garvey, Attorney for Opposer, has consented to this extension.

Applicant respectfully requests that the extension be granted.

Dated: December 3, 2003

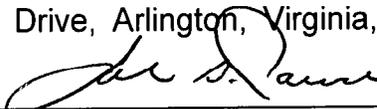

Respectfully submitted,
