OPPOSITION NO. 91156298

10-10-2003

U.S. Patent & TMOtc/TM Mail Rcpt Dt. #22

**APPLICANT'S CONSENTED TO REQUEST FOR EXTENSION  
OF TIME TO ANSWER OR OTHERWISE PLEAD  
AND TO RESET DISCOVERY AND TESTIMONY PERIODS**

Applicant, INDUSTRIAL HARD CHROME, LTD. by and through its undersigned attorney, requests that the period of time in which Applicant may answer or otherwise plead with respect to Opposer's Notice of Opposition be further extended from October 8, 2003 up to and including December 8, 2003, and that the discovery and all testimony periods in this case be reset accordingly.

Applicant's time to answer or otherwise respond has been previously extended to October 8, 2003 to allow Applicant and Opposer to explore the potential for settlement of this matter, without engaging in formal proceedings or seeking formal discovery. It is believed that progress has been made towards that purpose. More particularly, the parties have agreed in principle upon terms for an amicable resolution, and Applicant's attorney has prepared a Settlement Agreement based on such terms and forwarded it to counsel for the Opposer. However, additional time is needed to try to complete the Settlement Agreement and amicable resolution, and not for purposes of delay.

Michael W. Garvey, Attorney for Opposer, has consented to this extension in a telephone conference this afternoon. Applicant respectfully requests that the extension be granted.

Dated: October 7, 2003

Respectfully submitted,
