STATUS REPORT

1. On August 12, 2005, the Board issued a request for a status report, to which this document is responsive.

2. There has been no material change to the status of the civil action which occasioned the suspension of this proceeding pending in the United States District Court for the Western District of Pennsylvania.

3. Both plaintiff and defendant in said action, the opposer and applicant here, respectively, filed pre-trial motions which are being considered by the Court. Accordingly, both parties await the decision of the Court, the timing for which is at the Court's convenience and unknown to the parties.

4. If the foregoing does not contain enough detail as to the pending motions before the Court, the undersigned hereby offers to provide whatever supportive documentation is requested by the Board.

5. The continued stay of this proceeding remains in order and appropriate for the same reasons as originally granted by the Board.

August 28, 2005

Respectfully submitted,
