Angela Campbell, Paralegal Specialist:

Opposer's motion for suspension filed March 13, 2006 is noted. However, opposer has failed to include proof of service of a copy of the motion for suspension.

Opposer is advised that Trademark Rule 2.119(a) requires that all papers filed with the Board (including electronic filings) must be served on the adverse party and that proof of service must accompany each filing, otherwise it may not be considered by the Board.

Accordingly, opposer is allowed until twenty days from the date hereof to serve a copy of the motion for suspension on opposing counsel. Proceedings herein are suspended

pending submission of proof of service by opposer.

Thereafter, if proof of service is not provided, proceedings will be resumed and appropriate dates set.
