v.

Avaya Inc.

Cheryl Goodman, Interlocutory Attorney:

Proceedings herein are **suspended** pending disposition of the opposer's November 22, 2006 motion to compel, except as discussed below. The parties should not file any paper which is not germane to the motion to compel, except that the parties may file papers with regard to the motion to enforce settlement agreement filed concurrently with the motion to compel.

This suspension order does **not** toll the time for either party to respond to discovery requests which had been duly served prior to the filing of the motion to compel, nor does it toll the time for a party to appear for a discovery deposition which had been duly noticed prior to the filing of the motion to compel. See *Id.* The motion to compel will be decided in due course.

The motions pending before the Board will be decided in due course.
