**REQUEST TO AMEND IDENTIFICATION OF GOODS
IN APPLICATION AFTER PUBLICATION WITH CONSENT**

In accordance with an agreement executed by the parties, Applicant, Avaya Inc., requests the acceptance of the following amendment to the identification for the goods in Classes 37 and 42 for Application Serial No. 78/142,638:

Class 37: Installation and maintenance of computer hardware; maintenance and repair of telecommunications infrastructure apparatus and instruments; maintenance and repair of data infrastructure apparatus and instruments, namely, PBX and voice messaging systems, excluding computer software and hardware used for customer billing applications and for assisting integrated communications providers in managing networks, communications service or customer data.

Class 42: Installation and maintenance of computer software, excluding computer software and hardware used for customer billing applications and for assisting integrated communications providers in managing networks, communications service or customer data.

Request To Amend Identification Of Goods In Application After Publication with Consent
