v.

Gapardis, Inc.

Denise M. DelGizzi, Paralegal Specialist

Applicant's consented motions to extend discovery and testimony periods, filed February 18, 2005, March 28, 2005, April 25, 2005 and May 13, 2005, are hereby granted as indicated below.

Inasmuch as applicant's May 13, 2005 motion marks the fourth consecutive consented motion to extend discovery and testimony periods in this proceeding, the Board presumes that the parties are continuing to negotiate for a possible settlement of this case.

Accordingly, in exercising its inherent authority to schedule cases on its docket, the Board hereby suspends proceedings herein until **six months** from the mailing date of this action, subject to the right of either party to request resumption at any time during the suspension period. See Trademark Rule 2.11 (c).

If there is no word from either party concerning the progress of their negotiations within the next six months, the Board will issue an order resuming proceedings and resetting trial dates, including the time for discovery.

If, during the suspension period, either of the parties or their attorneys should have a change of address, the Board should be so informed.
