v.

Dye, John Paul

Clara Vela, Paralegal Specialist

Opposer's consented motion to suspend proceedings filed February 13, 2004 is noted and granted.

Because the parties are negotiating for a possible settlement of this case, proceedings herein are suspended until six months from the mailing date of this action, subject to the right of either party to request resumption at any time. See Trademark Rule 2.117(c).

In the event that there is no word from either party concerning the progress of their negotiations within the next six months, the Board will issue an order resuming proceedings and resetting the time for applicant to file an answer or other response to the notice of opposition as well as trial dates, including the time for discovery.

Opposition No. 91158524

If, during the suspension period, either of the parties or their attorneys should have a change of address, the Board should be so informed.
