Autodesk, Inc.

v.

Dassault Systemes S. A.

**Angela Campbell, Paralegal Specialist:**

**Applicant's consented motion for suspension (filed July 27, 2006) is granted.**

Because the parties are negotiating for possible settlement of this case, proceedings herein are suspended until six months from the mailing date of this action, subject to the right of either party to request resumption at any time. See Trademark Rule 2.117(c).

In the event that there is no word from either party concerning the progress of their negotiations, upon conclusion of the suspension period, proceedings shall

resume without further notice or order from the Board, upon the schedule set out below.

|  |                   |
|--|-------------------|
| Proceedings resume:  | <b>2/4/2007</b>   |
| Discovery Period to close:   | <b>5/3/2007</b>   |
| 30-day testimony period for party in position of plaintiff to close: | <b>8/1/2007</b>   |
| 30-day testimony period for party in position of defendant to close: | <b>9/30/2007</b>  |
| 15-day rebuttal testimony period to close:                           | <b>11/14/2007</b> |

In each instance, a copy of the transcript of testimony together with copies of documentary exhibits must be served on the adverse party within thirty days after completion of the taking of testimony. Trademark Rule 2.125.

Briefs shall be filed in accordance with Trademark Rule 2.128(a) and (b). An oral hearing will be set only upon request filed as provided by Trademark Rule 2.129.

If, during the suspension period, either of the parties or their attorneys should have a change of address, the Board should be so informed.

A review of the record reveals that the parties have sought and been granted numerous extensions requests as well as had two periods of suspension since 2003.

Therefore, in order to avoid undue delay to the progress of these proceedings, to seek further extensions the parties will be expected to report on the progress of their settlement discussions to establish good cause for any further motion to extend.

This report should include: a recitation of issues that have been resolved, issues that remain to be resolved, and firm timetable for resolution. **Absent such a report, any further motion to extend or suspend may not be approved, even though agreed to by the parties, in the absence of a showing of extraordinary circumstances.**
