Opposer's consented motion filed May 24, 2004 to extend trial dates, including dates for the counterclaim, is granted. Applicant's consented motions filed August 30, 2004, September 30, 2004, and December 17, 2004 to extend trial dates, including dates for the counterclaim, are granted. Trademark Rule 2.127(a).

Because the parties are negotiating for possible settlement of this case, proceedings herein are suspended until *six months* from the mailing date of this action, subject to the right of either party to request resumption at any time. See Trademark Rule 2.117(c).

In the event that there is no word from either party concerning the progress of their negotiations within the next

six months, the Board will issue an order resuming proceedings and resetting trial dates, including the time for discovery and counterclaim dates.

If, during the suspension period, either of the parties or their attorneys should have a change of address, the Board should be so informed.
