STIPULATED MOTION TO EXTEND
APPLICANT'S DEADLINE TO RESPOND TO THE NOTICE OF OPPOSITION

Commissioner for Trademarks
2900 Crystal Drive
Arlington, VA 22202-3514

Dear Sir:

On January 28, 2004, the Trademark Trial and Appeal Board mailed out its Initial Scheduling Order in this matter, pursuant to which Applicant DreamNet Corporation has through and including March 8, 2004 in which to respond to Opposer CDM Networks, Inc.'s Notice of Opposition.

Concurrent with the above event, Applicant and Opposer have been engaged in discussions regarding the possibility of the settlement of this proceeding. However, due to the location of Applicant in Japan as well as language and other complications, these discussions have been more difficult than usual to complete and more time is needed to ascertain whether settlement might be possible. Given these facts, Opposer and Applicant have agreed that Applicant may have an extension of time of 30 days, to and including April 7, 2004, in which to respond to the Notice of Opposition. This extension of time is needed to allow the parties further time in which to explore the possibility of settlement and/or to allow Applicant time in which to respond to the Notice of Opposition. The extension of time stipulated to and requested herein will not affect the dates in this proceeding previously set by the Trademark Trial and Appeal Board in its Initial Scheduling Order.

In a telephone call with Opposer's counsel, Richard P. Brull of the law firm of Brull Piccionelli Sarno & Braun, on March 4, 2004, the foregoing was agreed to and Applicant's counsel was authorized to prepare and submit this Stipulated Motion to Extend on the parties' behalf.

Accordingly, the parties respectfully request that the Trademark Trial and Appeal Board approve the parties' stipulation and extend Applicant's time in which to respond to Opposer's Notice of Opposition to and including April 7, 2004. This is the parties' first request for the extension of this deadline.

///

///

This request is made for good cause, in good faith, and not for purposes of unwarranted delay, as is explained more fully above. Accordingly, the parties respectfully request the Trademark Trial and Appeal Board's approval of the parties' stipulation.

This motion has been filed in triplicate.

Respectfully submitted,

Dated: March 5, 2004
