Opposition No. 91159448

Scientific Drilling
International, Inc.

v.

Gyrodata, Inc.

By the Trademark Trial and Appeal Board:

On September 4, 2008, applicant filed an abandonment of its involved application Serial Nos. 76131014 and 76481141.

Trademark Rule 2.135 provides that if, in an inter partes proceeding, the applicant files an abandonment without the written consent of every adverse party to the proceeding, judgment shall be entered against applicant.

In view thereof, and because opposer's written consent to the abandonment is not of record, judgment is hereby entered against applicant, the opposition is sustained and registration to applicant is refused.
