v.

Alto Products, Corp.

Cindy B. Greenbaum, Attorney:

In view of the final disposition of the civil action which occasioned suspension of this proceeding, opposer's motion to resume is granted to the following extent:¹

Applicant has until THIRTY DAYS to file a reply with respect to its motion to compel and for summary judgment (filed June 6, 2005). The reply must address the continuing viability of applicant's motion to compel.

Proceedings are otherwise suspended. Neither party should file any papers that are not germane to the pending motion to compel and for summary judgment.

¹ The Board notes applicant's non-objection thereto.
