Opposition No. 91160122

Wilhelm Sihm Jr., KG

v.

Christopher P. Risi

Jennifer Krisp, Interlocutory Attorney:

Applicant's consented motions, filed June 29, 2009, to extend time to file its answer to the notice of opposition and to extend discovery and trial dates are noted.

Inasmuch as neither motion includes a report on the progress of the parties settlement discussions, as the Board required in its July 5, 2008 and January 30, 2009 orders, the motions are denied without prejudice.

Dates remain as previously set.
