v.

Wicked Corporation

On March 21, 2005, applicant filed a proposed amendment to its application Serial No. 76/259,784, and on March 31, 2005, opposer filed a withdrawal of the opposition contingent on Board acceptance of the amendment.

By the proposed amendment applicant seeks to amend the identification of goods to the following:

"Tobacco accessories, namely, smoking rolling papers, smoking pipes, tobacco Grinders, Hookahs, paper dispenser and tobacco holders and lighters not of precious metal, not offered in retail stores or at trade shows featuring goods or services in the field of adult entertainment."

Inasmuch as the amendment is clearly limiting in nature as required by Trademark Rule 2.71(b), and because opposer consents thereto, the amendment is approved and entered. See Trademark Rule 2.133(a).

The contingency in opposer's withdrawal having now been met, the opposition is dismissed.¹

¹ In view of the above decision, the notice of default issued by the Board on March 9, 2005 is hereby vacated.
