Opposition No. 91160618

Ford Motor Company

v.

Hasbro, Inc.

Applicant's consented motion (filed November 12, 2004) to set aside the default judgment entered on September 20, 2004 is granted. In view thereof, the judgment by default is set aside and application Serial No. 76499086 is restored to pendency.

The Board now takes up for consideration applicant's proposed amendment to its application Serial No. 76499086, with opposer's consent, and opposer's withdrawal without prejudice of the opposition, contingent upon entry of the amendment.

By the proposed amendment applicant seeks to change the identification of goods **from** "toy action figures, toy vehicles and accessories for use therewith" **to** "toy action figures, toy military vehicles and accessories for use therewith."

Opposition No. 91160618

Inasmuch as the amendment is clearly limiting in nature as required by Trademark Rule 2.71(a), and because opposer consents thereto, it is approved and entered. See Trademark Rule 2.133(a).

The contingency in opposer's withdrawal having now been met, the opposition is dismissed without prejudice.
